# Proactive Sales Progression

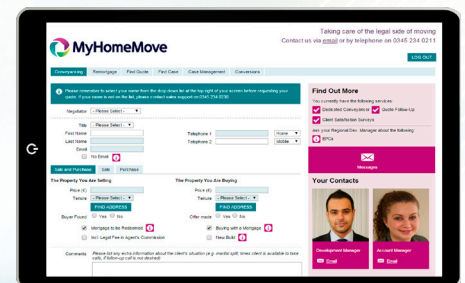

Introducer eWay speeds up the conveyancing process, getting your clients to exchange and completion quicker, with a level of transparency that has never been available before.

My Home Move has grown to become the leading provider of mover conveyancing services in the UK, working with over a thousand Estate Agents and some of the leading mortgage brokers across England and Wales.

As the market leader, we revolutionise the customer experience of conveyancing by combining innovative technology with unrivalled expertise and exceptional customer care.

Our revolutionary Introducer eWay service provides 24hr access to account information. Introducer eWay helps to speed up the conveyancing process, making our completions 21 days quicker than the national average, reducing the risk of a transaction falling through.

Introducer eWay gives you access to relevant information that will enable you to track and manage your clients' cases from your laptop, smartphone or tablet, from wherever you are.

# Our Service

Our prime focus is to deliver a service that exceeds our customers' expectations, giving you greater control and visibility over the sales progression of your clients' cases.

## Introducer eWay allows you to:

- Create instant quotes with the enhanced online quotation tool
- Reduce the overall time it takes to complete a transaction
- Upload documents directly to your clients' cases and send information via email to all parties
- View and manage all of your cases from one user-friendly online system
- Save time by reducing the number of calls you need to make, as detailed, up-to-date information on your cases is available online, 24/7
- Make payments directly to your clients' cases
